

To submit your 2016 Innovation Impact video, please upload it to Google Drive.

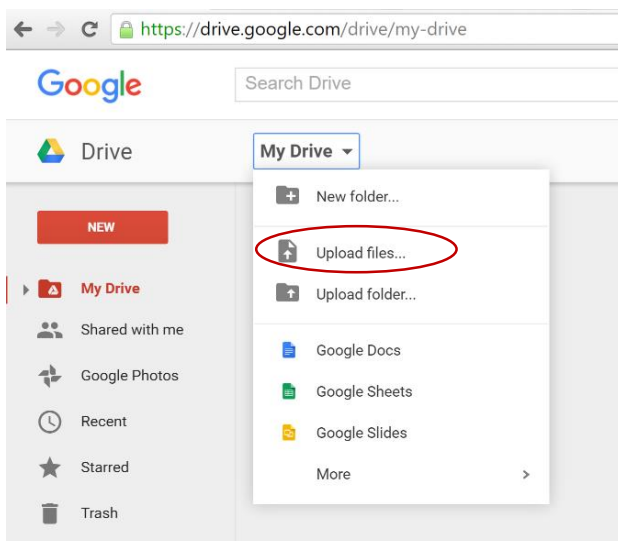

[You will need to establish a free Gmail account, if you don't already have one, to access Google Drive. For directions on creating a Gmail account, click [here](#).]

1. Open Google Drive (in the upper right hand corner).

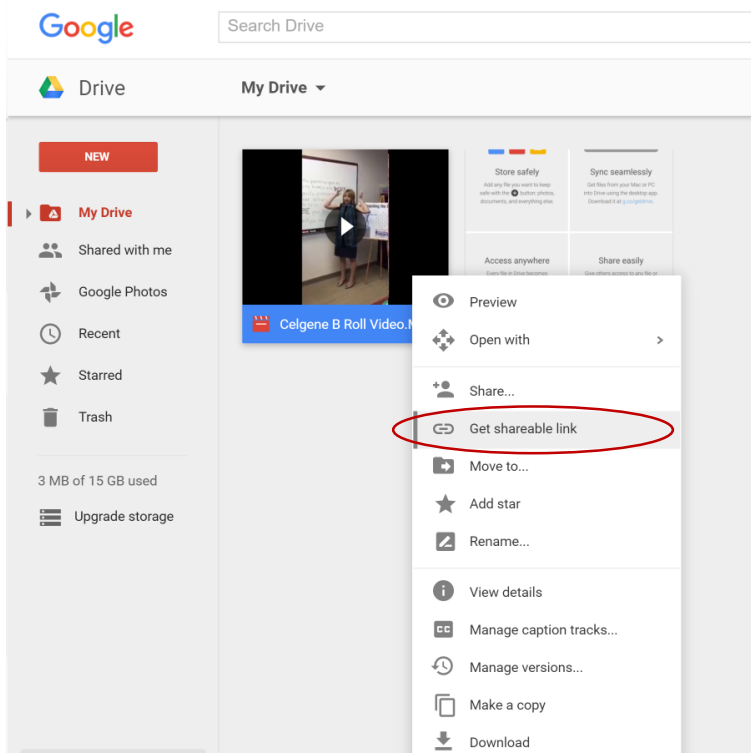

2. Upload your file.

- Video format should be either a .mp4 or .mov file.
- Google Drive allows you upload video files up to 5 TB in size (limited by available storage space).

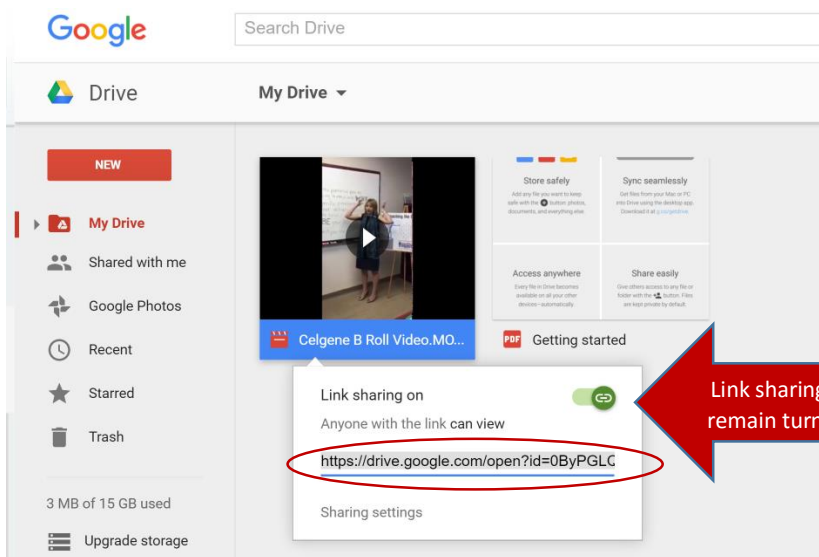

3. Preview your video on Google Drive; make sure it can be opened and is viewable.

4. Right click your video and click **Get shareable link**.

5. Google Drive provides a link to your video.

Please note: Only those with the direct link will be able to view the video. Link sharing must remain turned on.

6. Copy the link and paste it in the 2016 Innovation Impact application.
7. Questions? Please contact us at patientadvocacy@celgene.com.
